Description of supplies to be purchased, as well as brief description of where the outdoor dining/streetery will be located (its location relative to the business): This form represents the agreement between the City of Germantown and the applicant, wherein the City will provide reimbursement for supplies purchased to set up a "streetery" or outdoor dining at the applicant's place of business. Please note for this agreement to be approved, the following stipulations below must be adhered to: The reimbursement will be up to \$1000.00 Qualifying supplies must be approved prior to purchase and include: tables, chairs, stools, umbrellas, stands. Other items may be considered but also must be discussed prior to time of purchase Expenses are reimbursable upon submittal of receipt and documentation to Community Relations Manager The location of the outdoor dining/streetery must be approved prior to purchase of items (i.e. its positioning relative to the business and street/sidewalk) The applicant will not purchase items until this application has been approved by the City. Any items purchased prior to approval by the City shall be the sole financial responsibility of the purchaser and the City shall not provide reimbursement. The applicant shall hold the city of Germantown harmless and blameless in the event that any of the supplies for which the City has provided reimbursement cause harm of any kind whatsoever to either persons or property.	Property Owner Signature of Approval:
