Police Chief Matt Burns Report

Chief Burns provided Council information on the benefits of having a drone for the department. It is a great tool to have and would be beneficial for wooded areas.

He shared information about Flock Cameras and how helpful they would be for not just our jurisdiction but surrounding jurisdictions. They would be a great investment to assist the department when locating license plates that have been flagged in the system.

ADJOURNMENT: There being no further business to come before the Council, Mr. Kuhn moved to adjourn the meeting.

The work session adjourned at 8:16 p.m.

Respectfully Submitted,

Kelli R. Sanders-Novak
